## EXTRACURRICULAR ACTIVITIES – STUDENTS COUNCIL, ESN OLTEN & BUDDY SYSTEM

In the FHNW there is a strong presence of students organisations. The FHNW has separate committees in each faculty such as students' councils and the Erasmus Student Network (ESN) Olten. Local students run these organisations on a voluntary basis and organise activities, trips, the buddy system and social events for and with exchange students throughout their stay at our university.

A buddy can be assigned to each exchange student who wishes it by ESN Olten. The incoming student will be contacted by a local student who will act as a buddy during the semester.
