The background of the slide is a scenic autumn landscape. In the foreground, a wooden boardwalk path leads from the bottom center towards the middle ground. The path is flanked by green grass with scattered brown and orange autumn leaves. In the middle ground, there are several trees with dense foliage in shades of yellow, orange, and brown. In the background, a large, light-colored building with a gabled roof and several windows is visible, partially obscured by the trees. The overall atmosphere is bright and clear, suggesting a sunny day in autumn.
