V. Formal requirements:

1. Completing and submitting the application form at ebpz.uek.krakow.pl, attaching all documents required for the specific program.
2. The decision to grant a place in the specific university is down to the University Qualification Committee for International Study Placements.
3. Submitting an appeal – within 7 business days from the date of the announcement of results – by persons who have not been qualified to participate in exchange programs, and are entitled to appeal against the decision of the Recruitment Committee. The appeal is submitted by

ebpz.uek.krakow.pl application form. The student will receive a response within 14 business days.

4. Only students who have completed the necessary formal requirements, but have not received a placement in their preferred universities, have the right to submit an appeal.
5. Students whose exchange cannot take place due to documented reasons depending on the university to which they have been qualified, have opportunity to appeal against the allocated place at a later date than the one mentioned in p. 3.
6. The student must confirm his or her placement in the e-bpz system, within 7 days from the date of announcing the results.
7. Information about withdrawing from the placement in the study exchange program must be reported within 7 days from the date of announcing the results.
8. Withdrawal from a previously confirmed placement must be reported by email to the coordinators at the BPZ and at the partner university.
9. A student has the right to apply for available exchange programs several times. However, if resigned after the date given in p. 6 or if there is no contact with a student during the partner university application process, the University Qualification Committee may consider the reappearing application of this student conditionally, during the next intake for the same academic year.

VI. Specific requirements for potential beneficiaries of the exchange:

1. Students of all levels, forms and fields of study, who have the status of a student and who are able to submit a document of completing at least one semester of studies, may participate in the recruitment.
2. Student can apply for mobility for a semester during which he or she will have the status of KUE student.
3. During the recruitment process, it should be remembered that foreign scholarship placements are not recommended in the last semester of studies. The final decision is down to the University Qualification Committee for International Study Placements.
4. Persons completing their first-cycle or long-cycle studies may apply for a foreign-placement scholarship conditionally, and only for the second semester of the second cycle of studies (the final decision is down to the University Qualification Committee for International Study Placements). In case of students of seven-semester study program there is a possibility of foreign scholarship placement on the second semester of the second cycle of studies.
5. Applications from second-year students of the second-cycle studies or long-cycle studies will not be considered, the exception being the situation in which recruitment concerns a placement in the same academic year, provided that the applicant retains the status of a student for the duration of placement.
6. In the case of applying for two study placements or a study placement and internship in one academic year, the dates of individual trips may not overlap. The student is obliged to inform their coordinator about the exact dates of both trips.
7. Participation in exchange programs must include one semester-long break period, however, this rule does not apply to two separate placements within the same academic year.
8. During the announced recruitment process student may submit only one application.

9. A student qualified for foreign scholarship placement for a specific semester cannot apply in the next recruitment process to placement in another university for the same period without resigning from the previously awarded place.
10. The principle of confirming language qualifications in the Language Centre does not apply to the STEP program, the Transekonomik program, or summer schools.
11. The student is obliged to inform the coordinator about any changes concerning his/her contact details (change of name, e-mail address, student status, etc.)
12. Documents that do not meet the above criteria will not be considered.
13. Applications by students with an average grade below 3.4 will not be considered.
14. Students with disabilities and beneficiaries of a social scholarship from the KUE are obliged to report that fact till the application deadline. A student can report the acquisition of a social scholarship entitlements in the later date, but not later than three months before the start date of their exchange trip. Their application for additional Erasmus+ grant will be considered subject to availability of Erasmus+ funds.

VII. Regulations directly related to the placement abroad:

1. The student must be of age at the time of the placement.
2. Placements last 1 or 2 semesters, while in individual partner universities it is possible to take advantage of trimester placements.
3. For the duration of the placement, the nominee retains the status of a student and does not lose the rights to any scholarships awarded to him/her – either merit scholarships or social stipends.
4. While being on one-year leave from classes student may apply for foreign scholarship placement after the end of the leave. While being on leave partial study abroad is not possible.
5. Placement can be possible only after nominee will obtain credits, and pass the examinations included in the study program of the academic semester preceding the placement, and to fulfil all formalities related to successfully completing the year of studies.
6. Before and after the placement, the student is required to contact the faculty coordinator in order to determine study program implemented in the host university.
