INTRODUCTION

Fourth International Seminars Week at Wiesbaden Business School

We are delighted to announce the fourth International Seminars Week at Wiesbaden Business School, campus of RheinMain University of Applied Sciences. The five-day event will take place from June 08th to 12th, 2026, and aims to strengthen connections with our international partners while encouraging exchange and collaborative learning among faculties from different countries.

It offers a great chance to network with colleagues from across the globe, meet our students, exchange knowledge and experiences, and establish long-term professional relationships. As the number of participants is limited, we recommend registering early to secure your spot. We look forward to welcoming you soon to Wiesbaden Business School!

LECTURERS CONTRIBUTION

Participants from European partner institutions can apply for an **Erasmus+** teaching grant through their institution's International Office.

We ensure that you will be able to teach a sufficient number of hours to qualify for funding within this program.

As each course session lasts 2 x 45 minutes, you should be prepared to repeat your session. This will allow you to meet the minimum requirement of four teaching hours set by the Erasmus+ program.

LECTURERS CONTRIBUTION

To encourage discussion on key economic and business topics and to further support internationalization, we invite you to prepare your presentations in English on one of the following subjects. You are also welcome to suggest your own topics and include them during the registration process.

 BUSINESS INTELLIGENCE & AI	 HUMAN RESOURCES
 MARKETING	 LOGISTICS
 ECONOMICS	 STRATEGIC MANAGEMENT

HIGHLIGHTS OF THE WEEK

By bringing together guest lecturers from around the world, the International Seminars week provides a great opportunity for inspiring academic exchange and cultural discovery. You can look forward to insightful presentations and lively social events here at Wiesbaden Business School!

Science Day at Wiesbaden Business School

Our university is pleased to invite you to this year's Science Day taking place on Friday, 12th June 2026! On this special occasion, lecturers and professors will present their latest research, innovative projects, and forward-looking ideas in a series of short and engaging talks. This Event offers a unique opportunity to gain insights into the diversity of academic work, discover new perspectives, and connect with researchers across different fields.

Majestic Rheingau

Experience the beauty of the Rheingau! This scenic excursion will take you through one of Germany's most renowned wine regions, where you can explore historic vineyards, enjoy stunning views of the Rhine, and sample some of the area's finest wines.

TRANSPORTATION & ACCOMODATION

Wiesbaden is located approximately 40 km west of Frankfurt am Main and there is a direct train connection from Frankfurt Airport to Wiesbaden Central Station. We recommend taking the train as it is the most convenient and cost-effective mode of transportation, trains run every 30 minutes.

We understand that finding suitable accommodation can be challenging, so we will provide a list of recommended hotels and other options after the registration process. We encourage you to book your accommodation as soon as possible. Demand might be high in June (European summer time).
