English Track for exchange students

Cracow University of Economics is one of the oldest business schools in Poland. It is also a place of vibrant international exchange.

Stunning Location

Krakow is a beautiful city located in the south of Poland, providing a truly inspirational environment in which to live and study.

Diverse Social Community

At CUE you will study with people from around the world. You will have access to entertainment, events and support services within CUE and beyond, in attractive surroundings.

Unique College System: Our Mentor program

Joining CUE is very much like joining a new family. The colleges create a strong sense of community, and they provide personalized support. They champion your development, and place at your disposal a range of sports, arts, and social facilities.

The courses – as part of the exchange – **are free of charge** for our exchange students admitted under the Erasmus+ program or a Bilateral Agreement. Also, as a bonus, we offer free Polish language lessons in the study package.

Our dormitories are very basic. We provide contacts for several rental agencies, which can help you find nice apartments in the city.

CUE offers the following **study area**: International Business, Corporate Finance and Accounting, Applied Informatics, Modern Business Management, Quantitative Methods in Modern Management, International Finance and Accounting, Master of Public Economy and Administration.

Step by step method

- First think: Why not?
- **Contact the international office** at your home university. Each sending institution is responsible for the selection of students.
- **Ask** them for all the information, documents, brochures, and application forms related to student exchange.
- Be aware of our **deadlines**. Your coordinator knows everything.
- Search **our website** from time to time. It gets updated when new information is available. Check also our Facebook profile.
